PRAY FOR

**Rev. Charles, Deborah,
Olivia and Sophia St-Onge**
Ascension, Montréal, Québec

The St-Onges have been serving the Lord in Montréal since July 2015. In the time they have been there, Ascension's worshipping community - still around forty a Sunday - has seen an 85% turnover. Conducting intentional outreach in their community through English classes, open houses, and volunteer days has resulted in several baptisms and confirmations, and a large group of Sikhs and Hindus who drop in to see what Christianity is all about. Ascension is the only confessional Lutheran church in a growing city of over 4 million, with the next closest church being a two hour drive away. Deb leads the Ladies Aid group and serves on Council; Olivia runs our tech; and Sophia cleans the church.
